Supporting, Training, Encouraging and Providing Resources to Pastors and Churches

## ▶ Our Mission and Purpose

**Now he who plants and he who waters are one, and each one will receive his own reward according to his own labor.  
1Corinthians 3:8**

## Our purpose and mission defined

### Supporting

- We support the vision and mission of the national pastors and the local churches they serve.
- We support by walking alongside of the church leaders as a pastor and coach.
- We support by giving personal counsel and ministry guidance to pastors.

### Training

- We offer training for church leadership development and church member's spiritual growth.
- We train by teaching sessions with local church leadership teams on pertinent topics of church governance and spiritual oversight.
- We train by seminars for church members on themes that are designed to assist their spiritual growth.

### Encouraging

- We encourage pastors and members to become all God has made them to be.
- We encourage by building relationships and modeling healthy ministry methods.
- We encourage by promoting Christ centered identity in church leaders.

### Providing Resources

- We provide financial assistance to pastors periodically.
- We provide finances for specific ministry tools for churches.
- We provide mission teams that assist in building construction, staffing camps and helping with other needs identified by the national pastors and churches.
- We provide resources of materials to assist the teaching ministry of the churches.

### Helping “Antioch” churches

The church at Antioch in the New Testament became a training center which was very active in the mission of planting new churches in many regions.

- We believe God has called us to assist and give direction to those pastors and churches with an “Antioch” vision.
- Through these churches we envision thousands of new churches being planted across Eastern and Western Europe.
- We will help them to develop and improve their leadership skills in planting churches and becoming an equipping center for missionary works.
- We will connect them to other ministries who can resource and help them.
